

WHAT YOU NEED TO APPLY FOR AN ISLA VISTA RENTAL

It's that time again! It's time to start searching for that perfect place to live. Attached is a list of all the units we have available for lease in Isla Vista for **2011-2012**. Our current tenants have until **January 14, 2011** to renew their lease and all remaining units will become available to the public on **January 17, 2011**. However, we are accepting applications **NOW** for all of the units on our list. We have both **June and September 12-month leases** available. If you are not able to view the apartment on your own, feel free to call our office to set an appointment for a viewing.

Our rental applications and guarantor forms are available on our website at www.meridiangrouprem.com and also in our office. You will need to submit the forms to our office once you have completed the applications.

At the top of your application, please list which units you are applying for in order of preference. Make sure you complete a rental application for yourself, and have your guarantor complete the Third Party Guarantee form. We **will** accept faxed **notarized** Third Party Guarantee forms **but** they must be received in our office when you turn in your application. **There is also a \$20.00 processing fee for each rental application. Checks, money order or cashier check only – no cash.**

You will need 1 completed rental application and 1 (matching) completed Third Party Guarantee form per bedroom to begin the application process. We must also have the complete paperwork and remaining security deposit from ALL roommates within two weeks of signing the lease. The application process will take one to two working days to complete. **No exceptions will be made...Only completed applications will be accepted.**

Please indicate which roommate will be the contact person and provide all of his or her phone numbers. Once the application is approved, the contact person will be notified and you must contact our office within 24 hours to set up an appointment to sign the lease. The lease signing date must be within three days of being approved.

A Security Deposit of 1 month's rent plus \$200 is required at the lease signing. **This must be paid in cashier's check, or money order.**

If you have any questions regarding the units or the application process, please do not hesitate to contact us at (805) 692-2500. Also, please check our website for an updated list of our Isla Vista rentals and for application forms.
